Profile:

Robert is an experienced Civil Practitioner with an emphasis on all types of personal injury work. He undertakes all aspects of contentious and non-contentious work and has extensive experience of trial advocacy on both the Fast Track and Multi Track.

Robert is also considered as an expert in providing advices on quantum and liability, and in drafting complex statements of case.

Experienced in providing lectures and training seminars on a wide range of topics, Robert is accredited with the Solicitors Regulation Authority and Bar Standards Board to provide CPD training.

Personal Injury

Robert specialises in personal injury litigation and he has extensive experience in all areas of personal injury practice and procedure. He is instructed in equal measure by both Claimants and Defendants. Regular instructions are received for claims in the following fields:

- Road Traffic Accidents
- Low-Velocity Impact cases
- Credit Hire
- Fraud
- Public Liability
- Employers Liability
- Disease Claims
- Inquests

Robert is regularly called upon to act in complex and high value claims but is also available for standard trials, disposal hearings and interlocutory matters.

He is currently instructed in a number of fatal accident cases and has represented both insurers and the family of the recently deceased following fatal road traffic collisions and fatal accidents at work.
